

# 1st INTERNATIONAL SCULPTURE SYMPOSIUM ON PERLATO CORENO®

02/05/2011

Ass. Pro Loco Coreno Ausonio (Frosinone)

Perlato Royal Coreno®

The cultural local office of Coreno Ausonio, hereinafter Pro-LoCo, in collaboration with the Coreno's Quarrymen Association and the Consortium for the Valorization of Perlato Coreno®, organizes the 1st International Sculpture Symposium on Perlato Coreno®, an ornamental stone which is being extracted since the Roman Age from quarries located on the territory of Coreno Ausonio. Coreno Ausonio is a charming village built along the foothills of the Monti Aurunci, between the provinces of Frosinone and Latina, in the South of Latium region. It will be there that the event will take place from 4<sup>th</sup> to 10<sup>th</sup> July 2011.

The idea to organize the Symposium has come out in order to:

- Promote the local territory and its resources, with particular reference to the Perlato Coreno and its artistic use
- Re-valorize the places of the daily life and work as aspects of our past and present existence
- Make aware citizens of the importance of their natural environment
- Develop intercultural dialogue through the participation of artists coming from different countries
- Enhance local skills and competences in sculpture and contemporary art
- Enrich the cultural scene the municipality of Coreno Ausonio can offer

# 1st INTERNATIONAL SYMPOSIUM SCULPTURE ON PERLATO CORENO®

[CALL FOR ARTISTS' APPLICATION]

## ARTICOLO 1

Both Italian and foreign artists can apply for taking part in the Symposium. A panel composed by experts and representatives of the local artistic and cultural world, hereinafter the Artistic Committee, will select at least five projects among those received.

## ARTICOLO 2

The Symposium will be held from 4<sup>th</sup> to 10<sup>th</sup> July 2011. Participants will be asked to realize a full-relief sculpture and will be equipped with the material for performing their works, namely a limestone block of Perlato Coreno (a sheet containing the physical and mechanical properties of Perlato Coreno is included in Annex B) whose size will be 80X40X40 cm. The supplying of tools like chisels is excluded.

Moreover, they will be given free full board accommodation over the period interested by the event whilst travel costs will be at their own expenses

The Pro-Loco will not be responsible for any potential damage or injury may occur to participants or to objects, things etc. during the Symposium.

## ARTICOLO 3

The sculptures realized will be property of the Pro-Loco of Coreno Ausonio which will subsequently identify in collaboration with the local municipality some potential areas of the village to place them. The reference theme will be the relationship between man and stone as an indissoluble link characterizing the Corenese territory over the centuries.

## ARTICOLO 4

The application, drafted on unstamped paper by using the enclosed template (Annex A), will have to include some key elements such as:

- a curriculum vitae comprising pictures of works already realized and any other kind of documentation of the carried out artistic activity
- a sketch of the sculpture to be realized or, alternatively, a brief description of it
- the work's title along with the indication of the measures of the limestone block necessary to realize it

The submission deadline for the documentation required is **6<sup>st</sup> June 2011**. Documents can be handling delivered or sent by ordinary mail (date as postmark) or via e-mail (until 24:00) to the following addresses:

[prolococoreno@laserra.it](mailto:prolococoreno@laserra.it)

Ass. Pro Loco Coreno Ausonio - Via Torquato Tasso n. 10 - 03040 Coreno Ausonio (FR) - ITALY

Submissions of projects in graphic and/or digital format are highly recommended. Applications received after the deadline indicated above will be automatically rejected.

## ARTICOLO 5

On the basis of the projects received, the Artistic Committee will select the participants taking into account the creative idea, its relevance to theme, its feasibility and capacity to integrate itself in the territory of Coreno. The documentation submitted will also be part of the evaluation. The Artistic Committee will be composed by one or two artists, one professor of contemporary art, an expert from the municipality, two representatives of the Pro-Loco, one from the Coreno's Quarrymen Association and one from the Consortium for the Valorization of Perlato Coreno.

The Artistic Committee's decisions are indisputable. The selection results will be published one the Pro-Loco's website([www.laserra.it](http://www.laserra.it)) no later than 20:00 of **12<sup>th</sup> June 2011**. The selected artists will be contacted in order to get a confirmation about their participation.

## ARTICOLO 6

The Artistic Committee will declare the winner on 10 July 2011. Its decision is UNAPPELLABLE. All the participants will be given an attending certificate in form of medal or plate. The artists who will be placed first and second will respectively receive a grant award of 500,00 € and 250,00 €. A People's choice award is also envisaged. The Pro-Loco reserves the right to modify this call for organizational reasons. Anyway, any potential change will be promptly pointed out on its website [www.laserra.it](http://www.laserra.it).

The Pro-Loco's President  
Antonio Lisi
